A Brief Note from Mr. Solace:

I would like to personally thank everyone at Académie Lafayette (teachers, admin, parents, and students) for all of their hard work and dedication to such an amazing learning environment. I wish I could express my gratitude for all that I have learned in my time at the school. I am so very proud of the progress that the children have made and could not have asked for better kiddos. I will carry each one of you in my heart forever, and hope to see you all again in the near future. Thank you for helping me to learn and grow; it is truly a life-long process and, if you're lucky, you get teachers like those here (the little ones AND big ones) at the school to help you along the way.

Love always,
Mr. Solace

*Thank you so much Mr. Solace! We wish you all the best!
Mme. Morgane will now be teaching music as well as P.E. classes, and
schedules will remain the same.*

Valentine Exchange

On February 11, the students will be exchanging Valentines in their classrooms. Each teacher will plan a special event with the students. In place of a party, teachers are requesting that donations be made to the children in Haiti.
