## Thank you for your donations to the kids in Haiti!

The Kindergarten students contributed 207 of the 729 total Kits for Kids in Haiti.  
That's making a difference in hundreds of lives of children. Great job!  
Please see the attached letter and calendar for information about further efforts.

## Mr. Nelis would like to meet with you:

I would like to take the time to meet with many of you individually to discuss your experience so far with the Academie Lafayette Family. This will also give me an opportunity to know you better, and to discuss your future role inside this large family. I realize that it may difficult for you to get away from your busy schedule. I have blocked the 3 Fridays left in February from 7:30 AM to 5:00 PM, starting with February 12. Please call Diane at the KG Center at 816-333-0936 to schedule an appointment. This will take place at the KG Center, and each appointment will last about 20 minutes. I hope many of you can make it! - *Mr. Nelis*

## Building a City!

The Kindergarten students will be building a model of a city together, and they are requesting your donations of toilet paper rolls, paper towel rolls, cereal boxes and milk cartons. Allons-y!

## Nurses' Corner:

Our nurses are requesting your donations of hand sanitizer (liquid please, not foam) and long uniform pants for girls and boys of all sizes. Remember Dental Health Month continues! Return the worksheet on the back of the newsletter for a prize to Mme. Lori or Mme. Ramona.
