A LETTER TO OUR FAMILIES

Welcome to the new school year and thank you for participating in the annual \$10,000 Cash Raffle. As you know, fundraising is a vital tradition here at Académie Lafayette. We ask our families to help raise the funds necessary to close the gap between what we receive in public funding and financial requirements of running a school, such as Académie Lafayette.

According to the Missouri Charter Public School Association, charter schools in Missouri receive about 25% less in funding than traditional public schools. This annual Cash Raffle helps bridge that gap and provides us with the funds that we can use to create a better school for our kids.

One thing that is important for you to remember, is that even though we do ask our families to participate, it's not required. We suggest that every student sell a minimum of 20 tickets, and if that is accomplished, we will raise at least \$100,000. If your family chooses to opt out, ***please return your unused tickets to the office for another family to use.***
