SCHOOL PRIDE

Each student is encouraged to take pride in our school. Please use common courtesy by showing the proper respect for posters, bulletin boards, displays and signs placed throughout the building. Student assistance to the custodians is greatly appreciated. Student desks are to be kept neat and clean at all times. Pick up papers and litter in the halls, classrooms and on the grounds. Merci!

ARRIVAL

- 7:30 a.m. Doors open.
- 8:05 a.m. Students go to homeroom.
- 8:15 a.m. Classes begin.

Arrival time:

Please plan to be at school by 8:05 a.m. Classroom instruction starts at 8:15 a.m., and having time to transition between home and school is important.

Middle school students need extra time before classes begin to visit their locker and prepare materials for the day.

Classes start at 8:15.

Please avoid being tardy. Students who arrive late miss critical classroom instruction time. Late arrival in the classroom disturbs other students and teachers who are engaged in academic activities. Satisfactory school progress depends on regular attendance. Chronically late students receive poor training on the value of time and punctuality.

Chronic tardiness represents a financial burden for our school, as we need staff members to monitor and record all students who are late. Also, the state of Missouri reimburses the school based on the actual time each student spends at school.

If a student arrives at school after 8:15 a.m., he or she is tardy and will need to get a pass prior to joining the class. **Parents must escort their student into the building and sign the tardy pass before they may join their class.**

A Saturday School write-up may be issued as a consequence for chronic tardiness.

We expect that Académie Lafayette students will be punctual and will attend school regularly.

The Pledge of Allegiance:

The Pledge of Allegiance will be recited once a week in the morning.

"I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

SAFETY PROCEDURES

Parents and visitors must use the main entrance to enter the building during school hours (8:15 a.m. – 3:45 p.m.). Please be prepared to show identification and state the reason for the visit, as well as give the first and last name of the student, grade level and homeroom teacher.

- All visitors must report to the office immediately upon entering the building, to sign in and receive a visitor's pass. Any visitor without a pass will be asked to go to the office to get one.
- Parents should call ahead, email, or send a note to the office and teacher if they plan to visit the campus or if picking up their child early for an appointment. Parents are asked to wait at the front office desk when picking up their children early. The administrative assistant will call the classroom for the student to report to the office.
- If a parent needs to meet with a teacher, counselor or other staff member, please call ahead or email to schedule your visit.
- If a parent wishes to drop off lunch, classroom supplies, etc., please leave those at the front office with a label (child/homeroom teacher). A staff member will make sure they get to the correct person.

ATTENDANCE AND ABSENCES

Regular attendance is an important part of education.
Extended absences negatively impact a child's education.

Please schedule appointments and vacations for children when school is not in session.

Please notify the homeroom teachers as quickly as possible if a student will be absent for the day. A directory of teacher names and email is provided on page two of the Student Handbook. Please call the office if there is no access to email.

If excessive absences occur, parents will be notified and a conference will be scheduled with the principal.

- ***After 20 unexcused absences in a school year, a student may be retained***

in the same grade.

HEALTH INFORMATION

WHEN TO KEEP YOUR CHILD HOME FROM SCHOOL:

- If the child has a fever of 99.6 or more
- If they have been diagnosed with strep throat, do not send them back to school until they have been on antibiotics for at least 24 hours
- If they have been diagnosed with conjunctivitis (pink eye), they can return to school 24 hours after antibiotic treatment has been started.
- Children must be 24 hours free of fever, diarrhea, and vomiting without the use of medication, before returning to school
- All cases of communicable disease should remain home until their doctor clears them for return to school.
- If your child is too sick to stay at school it is your responsibility to pick up your child as soon as possible. Any student who is sent home from the nurse's office must be picked up within one hour.

MEDICATIONS AT SCHOOL:

- **In order to provide the best and safest nursing care to your student all medication orders must be updated on a yearly basis. Any medication orders received by the nurse's office will remain in effect from the first day of the Summer School program through the last day of the Spring semester. It is the responsibility of the parent to pick up their child's medication at the end of the school year and bring in new medication at the beginning of the new school year or Summer School. Medications left in the Nurse's office at the end of the Spring semester will be disposed of.**
- Académie Lafayette's Medication Policy states that the nurse may only give prescription medications if we have a doctor's note or prescription for that medication. All prescription medications need to be in the original pharmacy bottle with prescription printed on the bottle. You can ask the pharmacy for an extra bottle for school use. Finally, if your student needs to receive medication at school, we need signed permission from a parent/guardian as well.
- Parents/Guardians are responsible for providing all medication needed by their student for school use. Please bring all medications to the Nurse's office to make sure all documentation is on file.
- If your child is on a medication at school, please contact the nurse regarding changes in prescription and medication refills.
- If your child is to receive an over-the-counter medication at school, please be in contact with the nurse to determine how much of that medication should be brought to school for your child. This medication must be dispensed by the nurse unless other arrangements have been made prior.
- The nurse's will keep the following over-the-counter medications, or their generic equivalent, on hand in the Health Room: Tums, Benadryl, Tylenol, Ibuprofen. Parents can give written consent for their child to have access to these medications at any time during the school year, including in the reenrollment paperwork.
- If you have consented to your child receiving over the counter medication at school, the nurse will attempt to contact the parent/guardian prior to giving any unscheduled medication.
- Please make every attempt to give your child their medications at home, if they are on a medication that is to be taken three times a day, this can be given in the morning, after school, and at night.

- Siblings are not permitted to share rescue medications such as EpiPens or Inhalers. Every student with a medical condition must have their own medication on file in the nurse's office.

ALLERGY AND ASTHMA ACTION PLANS:

- If your child has been diagnosed with a severe Allergy or Asthma, an Action Plan signed by a physician must be on file in the nurse's office, even if your child has the ability to self-administer their medication.
- The Action Plan must be updated by your physician **on a yearly basis** and be turned in to the nurse by first day of school.
- All allergy and asthma medications will follow the above stated guidelines for medications.
- A prescription for your child's medication must be on file in the nurse's office, even if they carry their rescue medication with them.
- If your student is allowed to self-administer their medication, written permission must be given by the student's doctor *and* by a parent or guardian.

IMMUNIZATIONS:

- The state of Missouri requires immunizations at the beginning of Kindergarten and the beginning of 8 grade
- All students must have one of the following on record in the Nurse's office: an up to date record of immunizations, a Religious Exemption, an In Progress Exemption, or a Medical Exemption.
- Students who do not have the above listed records on file will not be permitted to attend classes or school activities until such time as the records are completed.

INSURANCE:

If your family loses insurance coverage, or does not have insurance at any time through the year, please notify the nurse or the office and we will supply you with an application for MO Health Net Medicaid.

INJURIES AT SCHOOL:

If a student becomes sick, or is hurt or injured at school they will be assessed by the nurse or staff member if the nurse is not available. In rare circumstances Académie Lafayette staff may feel it is in the best interest of the student to call emergency services to transport the ill/injured student to the hospital. Any medical treatment, including, but not limited to, transportation by ambulance or emergency services, will be paid for by the family of the student. Académie Lafayette cannot be held liable or financially responsible for any injuries or illnesses that occur at school.

DISMISSAL

- 3:40-3:45 p.m. Supervised locker time.
- 3:45 p.m. Classes are dismissed.
- 3:45-3:50 p.m. Dismissal
- 4:00 p.m. Remaining students report to the office or leave campus.

Parent supervision is required for students who remain on school grounds after 4:00 p.m.

Note: A \$1 dollar fee is incurred every minute after 4:00 p.m. for remaining, unsupervised students.

CHANGE OF DISMISSAL PLANS

It's important for students to have a regular routine, but if a change of plan is absolutely necessary, please notify the school office by 12:00 p.m. on that day. *Please understand that we might not be able to honor changes after 12:00 p.m. For emergency dismissal changes please do not email. Call the office instead.*

eSchoolCore gives parents, guardians and students access to the Académie Lafayette Student Information System so that they can view grades, attendance, meal balances, and other school information. It is also possible to view teacher comments and set e-mail preferences for communication.

Each parent/guardian has a unique Username and Password to access his/her account. The single sign-on feature allows a parent/guardian to add all students in the same household to the same account. **If you have any questions about your Username and Password, please contact the eSchoolCore Assistant Edem Addoh by phone (816-361-7735), in person, or by email (eaddoh@academielafayette.org).**

**Note that Passwords or Usernames cannot be delivered over the phone or by e-mail for security purposes. They can be mailed to a physical address or given in person after*

MIDDLE SCHOOL ACADEMIC EXPECTATIONS

We have high expectations for your children and will challenge them daily. Our school's goal is to maintain a positive, safe, and productive learning environment where each student can succeed. Our role as teachers is to provide the necessary tools and guidelines, as well as teach strategies to help your children develop skills and become responsible, respectful, and educated bilingual citizens.

It is our belief that every student can be successful by always trying his/her hardest, being on time, turning in all assignments, and having the necessary materials for class. We need your help and ask that you continue to **encourage your child** and **check to see that homework is completed in a timely manner**. At the same time, we also ask you to **please take a step back and allow your child to become an independent learner and assume responsibility**.

Keep in mind that homework may not always involve a written assignment or worksheet to complete. Students will be expected to prepare reading assignments for the next day's discussion (i.e. read, understand, and take notes), do research on a given topic, study for an upcoming test or classroom activity, etc. Please refer to the Homework Guidelines below for more information.

HOMEWORK GUIDELINES

Purpose of homework:

- Practice skills learned at school
- Inform parents on what is being taught at school
- Help build responsibility and self-discipline
- Flip the classroom: Giving the students the opportunity to learn about new concepts before being introduced in class
- Provide opportunity for enrichment and reflection

- Use independent research to learn more about a new concept
- Better prepare middle school students to adjust to high schools' expectations
- 6th Grade = 60 minutes of homework per night
- 7th Grade = 70 minutes of homework per night
- 8th Grade = 80 minutes of homework per night

Communication: Parents can learn about their child's homework through the student Agenda. Homework expectations for students:

- Record assignments and utilize their Agendas
- Keep materials organized
- Commit to a regular study time and place conducive to learning
- Ask questions when necessary and improve self-advocacy skills
- Practice academic integrity
- Complete assignments with their best efforts
- Meet due dates

Accountability:

- Students are expected to complete the assignment in a timely manner. Failing to do so may result in:
- Warning
- Saturday School write-up
- Failing grade
- Lack of understanding and engagement in class

Grades are issued each trimester for each content area. Total points are used to calculate percentages. Each teacher will outline in detail how grades will be determined.

MYP	Descriptor	Conversion (%)
0	Missing or does not meet minimum criteria	50
1	Below Basic	70
2	Below Basic	72
3	Basic	75
4	Basic	80
5	Proficient	85
6	Proficient	90
7	Advanced	95
8	Advanced	100

- Students will turn in all assignments neatly and on time.
- Students who fail to turn in their work on time face reduced practice and feedback opportunities that may limit success on summative assessments.
- Teachers are flexible and are willing to work with any student who takes the time to discuss the circumstances **before class** (not in the hallway). It is not appropriate to discuss during class.
- Students who are absent should email teachers to arrange an appropriate meeting time.
- Please keep in mind: one of the many learning opportunities assessment offers students is to learn to be responsible for managing deadlines and completion of work on time. This correlates with the IB Approaches to Learning skills under Self Management.
- Homework participation/completion is an important step of the learning process your students is engaged with. Teachers will keep track of your student's work as it will help define his or her final performance.

PROMOTION POLICY

At the end of the year, students failing two core classes, or with a GPA below 2.0 may not be promoted to the next grade level. Students with more than 20 absences in a year may not be promoted to the next grade level.

WORKING RECESS

Students may be asked to make up assignments or catch up on tests and quizzes during recess time. ***Working Recess is not a consequence for unacceptable behavior, but instead an opportunity to make up missed work during the school day. Part of recess may also be used for counseling students.***

SATURDAY SCHOOL- INTRODUCTION TO PROCESS

Saturday School is a consequence for students who have three Type I or Type II behavior violations within 30 days.

Students will receive a write-up following an observed Type I or Type II behavior violation that occurs within the classroom or within the school (hallways, recess, etc.).

If/when a student faces a Type I or Type II behavior violation, a teacher can assign a Saturday School write up as a consequence.

The teacher will let the student know of this consequence.

The teacher involved will send an email to parents sharing information about a behavior incident and its consequences. As needed, parents can easily contact the teacher involved for details and dialogue.

If/when a student receives three write-ups within 30 days, she or he will be assigned a Saturday School session. These sessions take place from 9 a.m. to 12 p.m.

The M.S. Administration will contact parents after the third write-up at least one week prior to a scheduled Saturday School session.

- *If a student does not acquire three Saturday School write-ups within a 30-day period, previously acquired individual write-ups will expire after 30 days of their issue.*

SATURDAY SCHOOL GUIDELINES

Saturday School is a consequence for students in grades 6 - 8 who have three Type I and/or Type II behavior violations within 30 days as documented by the teacher and vice principal.

Purpose of Saturday School:

- Avoids student missing classroom instructional time due to repeated behavior violations that may otherwise result in an in-school suspension
- Serves as a consequence for students repeatedly disturbing the learning process
- May be issued as a consequence for chronic unexcused tardiness
- Serves as an opportunity for students to catch up their missing homework or projects

Organization:

- Teachers and parents are notified one week before the Saturday School session to allow time to prepare materials/assignments and parents time to make arrangements to have their student at Saturday School.
- Time: 9 a.m. – 12 p.m.
- Supervision: 1 teacher per 5 students
- The student sits alone at a desk and works individually. No disruption is allowed.
- If the assignment is completed before the end of the session, the student is given additional work by the supervisor.

Communication:

- When a student has received a Saturday School write-up teachers will notify the student and parents.
- MS Administration will notify parents after the third violation, one week before the required Saturday School attendance.
- If/when parents/guardians have questions about the write-up a student has received, please contact the involved teachers for details.

Student Expectations:

- Get to school by 9 a.m.
- Bring all the necessary materials to do the scheduled assignments.
- Complete assignments with their best efforts.
- Abstain from disrupting other students.

Accountability:

- Students are expected to complete assignments by the end of the Saturday School session. Failing to do so may result in:
 - Another Saturday School
 - Failing grades

Note: *Failure to serve the assigned Saturday School will result in an out-of-school suspension.*

ACADEMIC HONESTY

As an IB World School, the IB students in the Middle Years Program (grades 6-8) at Académie Lafayette are expected to follow the personal traits set forth in the Learner Profile. Students will consistently act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. Following the International Baccalaureate Organization handbook: “An authentic piece of work is one that is based on the candidate’s individual and original ideas with the ideas and work of others fully acknowledged.” Therefore, all assignments for assessment, regardless of their format, must wholly and authentically use that candidate’s own language, expression and ideas. Where the ideas or work of another person are represented within a candidate’s work, whether in the form of direct quotation or paraphrase, the source(s) of those ideas or the work must be fully and appropriately acknowledged.

Academic honesty is the standard for all IB students. Each student must develop and turn in original work for all assignments. Many times, it is necessary to mention—or reference—the work of someone else. In these cases, credit must always be given to the original source or author, as that information is their “intellectual property.” This includes all forms of student work including handwritten, typed, and other digitally created work. Acceptable forms of official documentation of sources include but are not limited to MLA and APA style citations. When in doubt, students should ask their teachers.

Academic Dishonesty and Malpractice – Terminology:

- Plagiarism: the representation of the ideas or work of another person as the student’s own.
- Collusion: supporting malpractice by another student, as in allowing one’s work to be copied or submitted for assessment.
- Duplication of work: the presentation of the same work for different assessment components and/or class requirements.

Disciplinary Action for Academic Dishonesty:

Students documented with violations of forgery, collusion, plagiarism, cheating and/or copying the work of another student or other source risk losing credit on the assignment, and having a “0” permanently entered into the grade book. The parent or guardian may request a conference to address the situation. For the first violation, the consequence will be left up to the discretion of the

teacher, with the harshest consequence resulting in a “0” for the assignment without the opportunity to resubmit. Other consequences may be issued as described in the code of conduct. Subsequent violations **will** result in an automatic “0” for the assignment and may also result in Saturday School, in-school or out-of-school suspension based on the severity of the circumstance.

TRUANCY

A student absent without the consent of his/her parent or guardian is truant. This is an unexcused absence, and the parent or guardian must contact the school to arrange times for the student to make up the time missed.

Repeated truancies may be cause for disciplinary action, suspension, expulsion or legal action as addressed in the code of conduct. **A student is truant if:**

- 1) The student leaves school without being signed out at the main office.
- 2) The student is absent from class or assigned area without a pass.
- 3) The student has a pass to go to a certain place, but does not report there.
- 4) The student is in the teachers’ lounge or any other unauthorized area (nurse/counselor) without a pass.
- 5) The student leaves class or assigned area without permission.

Please note:

- The first locker time is from 8:05 a.m. to 8:15 a.m.
- Middle school students should not be on any floor before 8:05 a.m. without a pass.
- Middle school students who arrive before 8:05 a.m. must either eat breakfast in the gymnasium or wait in the auditorium.
- The last locker time of the day will be from 3:40 p.m. to 3:45 p.m.
- Middle school students may **not** return to their lockers after 3:45 p.m. unless accompanied by a parent or guardian.

STUDENT AGENDA

Please refer to your child’s Agenda **daily** for his/her class schedule, as well as daily work, homework assignments, special projects, and important reminders. It is **your child’s responsibility** to show you his/her Agenda and have you check it each day. The following format will be used in all classes to record information:

- C:** (what was done in class that day)
D: (homework assignment--“devoirs”)

If there is no homework assigned for that night, your child should write “Pas de devoirs”.

HALL PASSES

Students will be required to carry a signed hall pass at all times. This includes visits to the nurse, counselor, copy room, and front office. Students may not visit these places without a pass, and appointments may be necessary. This pass can be found in the back of the Agenda. Please use this information to verify students' attendance. This identification process is one part of our safe schools program.

LOCKERS AND LOCKER TIME

A signed authorization form is required for use of a locker. Students are responsible for providing a combination lock. Lockers must be kept locked at all times. Students should never give their locker combinations to anyone. A demonstration will be given to all students on how to properly organize a locker. Students need to keep in mind that locker time is not social time and to please show respect to other classes by keeping noise to a minimum. Teachers, staff, and administrators reserve the right to inspect lockers at any time, and/or take away locker time if abused. Students will not be allowed to use their lockers outside of scheduled locker time.

Students will **not** be permitted to bring their backpacks into the classroom. Please make sure that your child's backpack will fit into his/her locker. Some rolling backpacks are too large to fit into our school lockers.

****Backpacks may not be left in classrooms, the hallway, or on top of locker.**

HALLWAY CIRCULATION

When moving from class to class or using lockers, middle school students are to use the east stairs to go down, and the west stairs to go up.

SUPPORT CLASSES

Physical Education:

Students must participate in P.E. with appropriate gym clothes (see P.E. uniform policy) and recess unless they have a written note from a parent or physician. If the student needs to be excused for a P.E. class, parents should send a doctor's note or write a note including the following information: date, type of injury, number of days the students needs to be excused, and parent/guardian signature.

Computer Class: All students are required to bring one pair of earbuds to use in computer class, and leave in their classroom tub. Students who do not have their earbuds will be given alternate assignments and be required to make up the work during their free time. Earbuds can be purchased from Alix Lasker for \$1.

TEXTBOOKS/LIBRARY BOOKS/SUPPLIES

If a textbook or library book is lost or damaged, students/parents will be assessed a fine or charged the replacement cost of the book. When students are given supplies that are intended to be returned, they are responsible for those supplies and will be charged a replacement fine if supplies are lost or damaged.

8th grade students must turn in all textbooks, and pay outstanding balances before graduation. Students may not participate in the graduation ceremony unless all requirements are met.

COMMUNICATION

We all know that it takes teamwork to help students succeed - this includes parents, teachers, staff, and students. **Communication is the key.** We plan to keep in contact with parents on a regular basis via the Agenda, telephone, texts, e-mail, conferences, Facebook page, and our website. Parents are welcome to contact teachers at school anytime via email with questions or concerns about a student's academic or social progress. Please allow a reasonable amount of time (at least 48 hours) for the teacher to respond.

Our goal is to work together. Communication is a part of everyone's responsibility towards the success of our students. Please let the school know if there are any issues or events at home that may affect your student's participation or academic work at school. Teachers will do their best to clarify situations in the classroom and help with other issues. Team meetings will be regularly organized so all aspects of an issue can be discussed.

All middle school students have an email address assigned to them by Académie Lafayette. Students should know their address and password, and use the email to communicate with teachers. Examples of communications include homework questions, assignment submissions, absences, and make-up work.

ACADÉMIE LAFAYETTE WELLNESS PROGRAM **SNACK & PARTY FOOD POLICY**

Updated May 15, 2018

This program was implemented in response when the U.S. Congress passed the Child Nutrition and WIC Reauthorization Act. This act required that "all school districts with a federally-funded school meals program develop and implement wellness policies that address nutrition and physical activity by the start of the 2006-2007 school year." These wellness policies promote a healthy school environment and work toward countering the increase in obesity and chronic diseases.

To increase and continue our compliance with this Act, please review the policy below. This is effective immediately and will be enforced by each classroom. We are dependent on your cooperation and compliance with this Federal Act and are grateful for your support. In addition to the party/snack policy, we would also like to stress the importance of physical activity and sports in the overall management of our children's health.

In order to provide the safest environment for all our students, any shared foods or drinks must be

free of all known classroom allergens; known allergens will vary from class to class, please check with the school nurse or the teacher to verify what the allergen concerns are for your child's class. Any shared foods must be brought to school individually wrapped with a manufacturer's label to refer to for a list of ingredients and food warnings. **Foods without labels and/or home-baked goods will not be served.**

Sincerely,

Mr. Elimane MBengue and the Administration Team of Académie Lafayette

Encouraged Foods: Fresh fruit (cut pineapple, apple slices, grapes, bananas, strawberries, etc.) vegetables (baby carrots, celery sticks, green pepper strips, cucumber slices, etc.) & dip (ranch, hummus, salsa, etc.) 100% fruit juice boxes, cheese, yogurt/gogurt, crackers, goldfish crackers, pretzels, lean meat sandwiches, bagels/cream cheese, popcorn, raisins, veggie straws. (Warehouse clubs are great places to find individually packaged cheeses, hummus, pita chips/pretzels, apple slices, baby carrots, etc.) When sending fruits and vegetables, please send them washed and cut while being careful to avoid contamination with allergens (wash cutting boards and knives thoroughly before using). Also, please send any utensils needed (spoons for yogurt, etc.)

Foods not allowed: Home-baked good or foods that do not have a manufacturer's label. Foods that do not have a label or contain known allergens will not be served. Students are not permitted to have soda, coffee, or energy drinks at school.

Holiday Parties and Monthly Birthday Parties:

- Monthly Birthday Parties will be held on the last Friday of each month, with summer birthdays being celebrated in the month of May.
- Holiday Parties will be scheduled by Académie Lafayette and coordinated by room parents with the teachers.
- Any foods for parties should be brought to school prior to 10am to give staff time to review the labels. During all parties healthy snack choices are strongly encouraged.
- The coordination of snacks will be the responsibility of the room parent and the teacher.
All snacks must still follow the guidelines for food safety: individually wrapped, in the original packaging with the manufacturer's label, and free of any known allergens. No home-baked goods.
- The room parent will coordinate class parties. Only one "sweet" item should be allowed for each party.

Daily Snacks:

- Daily snack time(s) will be offered to students in grades K-5 at the teacher's discretion.
- Every student should bring their own daily snack(s) to school. While these snacks are not to be shared among other students, they must comply with any allergy restrictions the classroom may have (Peanut/Tree nut free, etc.).
- If the child forgets his/her snack at home, they can get a piece of fruit from the fruit cart when it is available.
- Daily snacks should be healthy and filling. Please avoid sending sweets, candy, chips, and other junk foods.

*******Keep this policy for your records and please refer to it before bringing ANY treats**

BEHAVIOR EXPECTATIONS

To be successful, students are expected to follow these guidelines at all times:

- Students will respect themselves and others.
- Students will respect the property of others, as well as school property.
- Students will arrive on time, in the proper uniform, sit down quickly and quietly, take out the proper materials and be ready to learn.
- Students will follow classroom rules and procedures.
- Students will speak only in French in classes (with the exception of English and 3rd language classes) and remain quiet in the hallway.

INTRODUCTION TO THE CODE OF CONDUCT

The Code of Conduct is designed to encourage students to accept responsibility for their actions, teach students to respect the rights of others, facilitate learning and promote the orderly operation of Académie Lafayette. The Code of Conduct contains different “classes” of misconduct, which will result in disciplinary action. The behaviors described are representative of the misconduct, which most frequently causes disruption of the orderly educational process. The list does not include all types of misconduct for which discipline will be imposed. A student who commits an act of misconduct which is not listed in the Code of Conduct, but which is nonetheless disruptive to good order and discipline in the school or which tends to impair the morale or good conduct of students, will be subject to the authority of the classroom teacher and school administrators.

BULLYING AND REPORTING BULLYING

Académie Lafayette is committed to maintaining learning and working environments free of any form of bullying or intimidation by students toward school personnel or students on school grounds, or school time, at a school sponsored activity or in a school related context. Bullying is the intentional action by an individual or group of individuals to inflict physical, emotional or mental suffering on another individual or group of individuals. (AL Board Policy #2655)

As a school, we define bullying as aggressive or hurtful behavior that involves unwanted, negative actions, involves a pattern of behavior repeated over time, and involves an imbalance of power or strength.

Examples of bullying behavior include, but are not limited to:

- Punching, kicking, shoving and other acts that hurt people physically
- Spreading negative rumors about people
- Enlisting certain people to “gang up” on others
- Name calling, harassing
- Exclusion
- Cyber bullying
- Teasing in a mean way

Académie Lafayette does not tolerate bullying. When bullying is reported to a teacher or staff member, we do our best to resolve the problem immediately. First, we speak with the students involved to determine the severity of the situation and whether or not the behavior could be characterized as bullying. Next, we take the appropriate steps to stop the bullying behavior and counsel all parties involved.

If a student reports behavior that falls into the above definition of bullying, please follow these steps:

- 1. Inform the classroom teacher so that he/she may be vigilant so that immediate interventions can occur.**
- 2. If the problem is not resolved, contact the school social worker so that everyone can partner to create a plan of action.**
- 3. If the bullying continues, please contact school administration.**

MAINTAINING PROFESSIONAL BOUNDARIES

Professional boundaries are parameters that describe the limits of a relationship where one person entrusts their welfare and safety to a professional and often in circumstances where a power imbalance might exist. The purpose of this procedure is to provide staff members, students, volunteers and community members with information that defines effective and appropriate interactions between Académie Lafayette staff members and the community the school serves.

In a professional staff/student relationship, school employees maintain boundaries that are consistent with the legal and ethical duty of care that school personnel have for students. A boundary invasion is an act or omission by a school employee that violates professional staff/student boundaries and has the potential to abuse the staff/student relationship. The act, omission, or pattern of behavior generally does not have an educational purpose; and often results in abuse of the professional relationship between staff and students.

When interacting with students, school staff must use good judgment and think very carefully about the implications and potential consequences of engaging in certain behaviors with students. The following include, but are not limited to, examples of unacceptable conduct and/or inappropriate boundary invasions by staff members:

- Any type of inappropriate physical contact with a student or any other conduct that might be considered harassment under the Board's policy on Harassment and Sexual Harassment of Students
- Showing pornography to a student
- Singling out a particular student or students for personal attention and friendship beyond the professional staff-student relationship
- Socializing where students are consuming alcohol, drugs or tobacco
- For non-guidance/counseling staff, encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, staff members are expected to refer the student to appropriate guidance / counseling staff. In either case, staff involvement should be limited to a direct connection to the student's school performance
- Sending students on personal errands unrelated to any educational purpose
- Banter, allusions, jokes or innuendos of a sexual nature with students
- Disclosing personal, sexual, family, employment concerns, or other private matters to one or more students
- Addressing students, or permitting students to address staff members with personalized terms of endearment, pet names, or otherwise in an overly familiar manner;
- Maintaining personal contact with a student outside of school by phone, email, Instant Messenger or Internet chat rooms, social networking Websites, or letters (beyond homework or other legitimate school business) without including the parent/guardian
- Exchanging personal gifts, cards or letters with an individual student
- Socializing or spending time with students (including but not limited to activities such as going out for beverages, meals or movies, shopping, traveling, and

recreational activities) outside of school-sponsored events, except as participants in organized community activities

- Giving a student a ride alone in a vehicle in a non-emergency situation
- Unnecessarily invading a student's privacy, (e.g. walking in on the student in the bathroom)

Appearances of Impropriety

Whenever possible, staff should avoid situations that give the appearance of impropriety or create an actual impropriety. The following activities are examples of, but not limited to, boundary invasions and can create an actual impropriety or the appearance of impropriety:

- Being alone with an individual student out of the view of others
- Inviting or allowing individual students to visit the staff member's home
- Visiting a student's home
- Social networking with students for non-educational purposes

If the above activities are unavoidable, then written pre-approval should be obtained from your building administrator or his/her designee. If written pre-approval cannot be obtained the staff person must report the occurrence, to his/her building administrator or his/her designee, as soon as possible.

Reporting Violations

Students and their parents/guardians are strongly encouraged to notify the principal or the head of school if they believe a teacher or other staff member may be engaging in conduct that violates this procedure. Staff members are required to promptly notify the principal or the head of school if they become aware of a situation that may constitute a violation of this policy.

Disciplinary Action

Staff violations of this procedure may result in disciplinary action up to and including termination. The conduct may also be reported to a state agency for further investigation. Any conduct involving suspected abuse, sexual or otherwise will be reported to the Children's Division and/or law enforcement in accordance with the board's policy on Reporting Child Abuse and Neglect.

Suspected violations by School Volunteers will result in immediate suspension of his/her volunteer assignment until an investigation has been completed. If a violation has been committed, disciplinary action may be taken up and including the termination of his/her volunteer assignment. Any conduct involving suspected abuse, sexual or otherwise, will be reported to the Children's Division and/or law enforcement in accordance with the board's policy on Reporting Child Abuse and Neglect.

Training

New employees will receive training on appropriate staff /student boundaries within two (2) months of employment. Continuing employees will receive training every two (2) years. Volunteers will receive training prior to his/her first volunteer assignment for the school year and annually thereafter.

Dissemination of Procedure and Reporting Protocols

This policy and procedure shall be included on the district Website and in all employee, student and volunteer handbooks. Annually, administrators and staff will receive copies of the district's reporting protocol.
